

Attention FDA

0648 '00 APR -6 P1:47

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

yes

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

Dad don't drive & his eyes are bad. Dad went to a Hdr for a hearing aid. It was a bad experience. He couldn't work it. So he sent for one & He is getting along great

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No.

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes

for Eldon H Beccard (my Dad)
